

# Northern Elite Soccer Club

[www.northernelitesoccer.com](http://www.northernelitesoccer.com)

On behalf of the Northern Elite Soccer Club, I would like to thank you for your consideration in supporting our organization. Northern Elite Soccer Club (NESC) is a youth travel soccer program affiliated with the North Harford and Jarrettsville Recreation Councils. NESC was founded in March of 2005 and is committed to providing the environment and opportunity for young soccer players to develop their soccer skills, appreciate teamwork, and understand sportsmanship.

We are very proud of the fact that we regularly produce programs that benefit the local community. Some of those programs include:

- Summer training programs for aspiring high school players (open to all players).
- Winter training programs (open to all players).
- College mentoring. Our high school players are guided through the college search process with particular emphasis on the opportunity for those aspiring to play college soccer.

Your support helps to mitigate some of the expense that our players and their families incur to pay for training, field rental, league fees, referee fees, tournament fees, equipment, etc. Your support of NESC will be shared with all of our various programs and advertised on our website which is visited on a regular basis by hundreds of families local to our area. We feel that we are setting the standard for not only the development of young soccer players, but for the development of our next generation. Thank you so much for your support in these efforts.

Any donation checks should be made out to:  
NHRC ( North Harford Recreation Council )
